Mintie Cat Litter product line is developed in a cat-friendly way by selecting the best bentonite, 100% natural clay mineral that has the ability to absorb liquids up to three times its own weight. It offers easy and fast daily cleaning, a hygienic and dust free experience and also pleases you with long product life.

Mintie Cat Litter is available in unscented or gently scented variants to satisfy the cats and people who love them. Ultra-low dust litter helps you and your feline friend to breathe easily in the comfort of your home.

- **100 % Natural**
- **High Odor Elimination**
- **99 % Dust Free**
- **Extra Strength Formula**
- **Tight Clumping
& Easy To Scoop**

mintiecat

Unscented

MintieCat Unscented is the ideal solution for cats and their people with a sensitive sense of smell due to its lack of fragrance. It stops bad odors effectively by high liquid absorbency and fast clumping features.

Activated Charcoal

MintieCat Activated Charcoal is made from 100% naturally absorbent bentonite powered by active carbon granules. Charcoal has natural odor-absorbing properties and captures any bad odor, a great way to keep your litter box smelling fresh. Non-toxic charcoal granules make it safe for our pet friends.

Soap

Our soap-scented cat litter is crafted from 100% naturally absorbent white bentonite and infused with the classic fragrance of Marseille Soap. Known for its gentle cleaning properties, Marseille soap is often used for delicate fabrics like wool and silk, bringing a touch of purity and freshness to your home. With a nearly dust-free formula and refreshing scent, it provides a comfortable and pleasant care experience.

Mint

MintieCat Mint combines our original, aromatic mint scent with 100% natural bentonite to create a standout product in the MintieCat litter line. Activated upon contact with moisture, it releases a refreshing mint fragrance that keeps the litter box smelling clean. Designed to eliminate bad odors effectively, MintieCat Mint ensures a fresh and inviting environment for both you and your cat.
